THE CHRONICLE.

D. F. WRIGHT, M. D., Editor. Clarksville, Tenn., Aug. 16, 1879.

TERMS : 82.00 IN ADVANCE.

THE DEFEATED COMPROMISE. ular vote on Thursday, the seventh many more abstained from voting. Beecher scandal, inst., and that a very small proper- It is only in the Eastern part of the tion of the vote of the State was cast | State that the white Republicans

the stump or at the ballot-box, but against it.

the present paper to refute that | First-That the loss of the com- good breeding. that defeat. It will be as well to for it. premise that there are two sides that or nothing, and that therefore, erations. whatever it was in form, it was in practice a forcible imposition upon them of the sacrifice of half their capital and two-thirds of the stipulated interest upon it, and therefore a virtual repudiation of that much of the debt. We are free to acknowledge that these considerations had sufficient weight with ourselves to cause considerable hesitation and balancing of reasons before we could advocate a vote in favor of it, and it was only the dread of the worse that might occur if it were rejected that reconciled us to the support of it. So far, then, from the adverse vote being in all cases an act of repudiation, it was in many cases dictated by a conscientious conviction of the duty of paying the whole debt.

convinced by one circumstance alone on the surface of this transaction that it is necessary to look beneath the surface in order to understand the true bearings of the vote, All the prominent men of the State, whether State eredit or low tax Democrats or Republicans, came forward and advocated on the stump tion is becoming urgent. The destrangely under the circumstances failed to obtain the popular vote. In East Tennessee two prominent Republican politicians and all the leading Democrats were conspicuous advocates of the measure; in Middle and West Tennessee overy Representative in the national Congress, whether in the Senate or in the House, openly either by letters or by public addresses urged its adoption; State credit men risked the charge of repudiation and low-tax men that of selling out to the bondholders by advocating the compromise, and yet in the face of all these combinations in its favor the measare was lost. Surely this strange result needs to be accounted for and forbids an interpretation of the facts one way or another until some anal- years ago. The matter least understood, and

the Republicans in this State have plumed themselves throughout upon evidently close at hand. being the pure and uncompromising State eredit men par excellence; it is not so well known that they have, Gossip has for some time been project of connecting the two oceans as a matter of party strategy, in busy with the names of Roscoe of a gigantic railroad which will every instance worked against any Conkling and Mrs. Sprague, wife of take ships bodily over. All that is settlement of the question. At a ex-Governor Sprague, of Rhode necessary is a railroad big enough, Committee last winter, the question came up what they should do in at Narraganset Pier on the sth of her out of one ocean, and landing reference to this proposed compro- this month, when Mr. Sprague sud- her in the other, cargo and all, it nrise, and the convention was didenly arrived at his house, and in Washington until he has brought vided upon it. Those who opposed finding the New York Senator his plan to the attention of the govsupporting it openly did so on the there, ordered him out, pointing a erument. The cost, he says, will ground that a settlement of the shot-gun at him. This is all that is be three-fourths less than the proquestion would be an ajd to the absolutely known, but it has given Democratic party by healing their rise to an infinity of rumors, which of his jetty plan, and if he can get not consistently vote against it. The difference was not reconciled, and a paragraph attributing the slander difference was not reconciled, and a paragraph attributing the slander difference was not reconciled.

resolution was passed declaring that to a difficulty between Mr. Sprague it was not a party question, and and a Prcf. Lincke, who was teachthat Republicans were free to vote ing his children. This has been for or against it. When the canvass proved false, and its publication commenced, Mr. Pettibone, the produces an impression on the pub-District, and Mr. Butler, leader of Mr. Conkling.
